Important Information

UKC Rules: The Utah UKC Nosework Club highly recommends that all exhibitors become familiar with the rules for UKC Nosework trials. The complete rulebook is available to download from the UKC website:
www.ukcdogs.com

Refund Policy: *Entry fees will be refunded for bitches in season, and for handlers or dogs which are injured and cannot compete, upon receipt by the Trial Secretary, of a request and a letter from your veterinarian. The Trial Secretary must receive the request prior to the trial date. Any requests made after the trial date will not be honored. There will be no refund for dogs that are excused from the trial site on the day of the trial for any reason.

Also: If a dog has pre-entered the elements, and fails the corresponding Pre-Trial, their entry fees can be refunded. A request in writing by email must be sent to the trial secretary at secretary@pawtap.net to receive this refund.

Substitution Policy: Substitution of dogs will be allowed.

Move Up Policy: Move Ups will be allowed between Trials on the same day, and between Trial Days.

PT: All dogs must pass a Pre Trial (PT) prior to entering an element trial for the corresponding odor. If a dog has passed the NACSW Odor Recognition Test for the odor being tested (Birch, Anise, Clove) they DO NOT have to pass a UKC Pre Trial. However, a copy of the record of the ORT pass MUST accompany the entry form. A clear photo copy is acceptable. Without proof of an ORT pass, the team must enter and pass the Pre Trial.

Trial Cancellations: No entry fees will be refunded if the Trial cannot open or be completed by reasons of riots, civil disturbances, fire, an act of God, public emergency, act of public enemy, or any other causes beyond the control of the club, trial committee or trial secretary.

Entry Confirmation: Entry Confirmation will be made as soon as practical after receipt of Pre-Entries. If you do not receive your confirmation by the Saturday preceding these events, please notify the Trial Secretary.

Please Note: Since the location of the odor is not changed during the entire trial, the same handler cannot handle more than one dog per element. If a handler would like to enter more than one dog per element, each dog **MUST HAVE A DIFFERENT HANDLER.**

Overnight Parking/Camping: Available at the Legacy Events Center. Please contact them at 801-451-4080 for reservations and information.

Video/Photos: You may video or take photos, though we ask that these not be shared or posted online until after the class is complete.

General Information for Filling Out Entry Forms

A and B Sections: Exhibitors must specify on the entry form if they are going to compete in the A or B section for each search. Both sections will have the exact same search.

- **A Section** is for teams that are completely new to the sport of Nosework and do not have a title in either UKC or an equivalent title in another organization, such as NACSW.

- **B Section** is for all other teams. If you have an equivalent title in another Nosework organization, such as NACSW, you must compete in the B Section. If you are a licensed or professional dog trainer, Nosework instructor, or a person licensed to officiate in Nosework in any organization you must compete in the B section whether or not you have a Nosework title.

Once you receive a title you can continue to show in the B section.

For your planning purposes:

You need two (2) passes in an element to receive the element title.

The official UKC Nosework Entry form MUST be used for all entries.

Notice to Exhibitors

1. All events are held under the rules and regulations of the United Kennel Club, Inc. By entering this trial exhibitors acknowledge they are familiar with the rules and regulations of this sport.
2. Absolutely no alcoholic beverages or illegal drugs will be allowed on the grounds or building of a licensed UKC event.
3. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.
4. The UKC Utah Nosework Club, their agents, and their club members assume no responsibility for any loss, damage, or injuries sustained by spectators or exhibitors, to any of their dogs or property, and further assume no responsibility for injury to children not under the control of their parents or guardians. The UKC Nosework Club is not responsible for loss, accidents or theft.
5. Dog and handler teams may arrive anytime after 7:00 A.M. and prior to the morning judge's briefing and walk through. Dog and handler teams not required for further judging may leave.
6. The "No Smoking" rule will be strictly enforced in all areas.
7. Exhibitors and dog owners are expected and required to clean up after their own dogs. Any person witnessing a violation of this rule must report it to the Event Committee. The Event Committee may ask any person violating these rules to leave the event grounds. No refund will be made if the Exhibitor is asked to leave the grounds.
8. The UKC will vigorously support any motel that files a complaint about exhibitors that fail to keep their dogs quiet and/or fail to clean-up after them. In order that the bad conduct does not spoil it for the majority of responsibly exhibitors; UKC will take strong disciplinary action against any offenders.
9. You may crate in your car or in the building. If you wish to use an outdoor shade tent it will need to be removed at the end of the trial day since there will be no overnight security. Please check with the trial committee for information on where a tent can be placed.
10. Dogs must be kept on a leash no longer than 6 feet in length when walking on the show grounds. A nosework trial is not an activity where dogs should socialize. Please give all dogs space! Longer lines and flexi leashes may be used only during a search. Handlers will be given time to change leashes if needed before the search.
11. Bitches in season, pregnant or lactating females may not compete. Ill dogs, dogs having sutures, bandages or anything indicative of a medical procedure, or dogs obviously in pain will be excused at the judge's discretion.

1. Nosework trials will include a pre-trial for the levels being run. Dogs need to pass the pre-trial for the level they are competing in. Dogs may be entered prior to passing, but must pass the pre-trial prior to competing that day. If the dog has passed on ORT in the applicable odor please submit a copy of proof.
2. Individual element classes are divided into Levels “N”-“E” and further divided into “A” and “B” sections depending on the experience of the dog and/or handler. Be sure to check the rules regarding the divisions. For these classes, dogs will only be searching the elements chosen.
3. Full Nosework Trials are divided into Levels “N”-“E” and further divided into “A” and “B” sections depending on the experience of the dog and/or handler. These trials contain all four elements. Each element passed earns a leg toward a title in that element.
4. Handler Discrimination. One glove will be used and must be provided by the handler.
5. All entries must be submitted on the current “Official UKC® Nosework Trial Entry Form”.
6. Use a separate entry form for each dog entered in a club's event.
